

Tasteful wooden coffee table

Coffee table in wood with an elegant look. It has well-designed wooden legs. Kalmia offers endless possibilities to match shape and materials with other interior design elements for a cohesive aesthetic look. An inviting coffee table that creates a spontaneous meeting space or a relaxed surface that adds a homely feel to the office. Can be used in many different social spaces or meeting spaces, from temporary meetings, to lounges, cafés, or coffee corners.

Combine with different types of soft seating, such as sofas and easy chairs, depending on your needs. Combining coffee tables in groups creates attractive combinations that inspire creative conversations and productive meetings.

The table consists of a limited number of components, all of which can be replaced, separated, and recycled, making it circular and sustainable in the long term.

Choose materials from Kinnarps Colour Studio, a complete collection that offers you a wide selection of materials.

Functions & options

DIFFERENT TABLETOPS

There is a choice of tabletops in different sizes and materials. Everything to suit different types of spaces and needs.

SOLID WOODEN TOP

The table top is available in solid wood for a solid and warm look.

TABLETOP IN VENEER

The tabletop is available in different coloured veneer. Wood veneer is a beautiful natural material that gives the interior design a vibrant and exclusive feel.

DURABLE LAMINATE

The tabletop is available in hardwearing laminate, which gives the table added durability in high traffic spaces.

WOODEN LEGS

Well-designed and sturdy legs in solid wood with metal leg fittings.

BRACKETS IN CHROME FINISH

Leg brackets in chrome finish are available as an option.

Colours & materials

Kinnarps Colour Studio (KCS) is our range of materials for offices, schools and healthcare facilities, with a focus on sustainability, quality and harmony. It offers attractive materials that have been carefully tried and tested for suitability and sustainability in different types of spaces. The wide range makes it easy to find the look and functionality you want. Wood, metal, plastic, and textiles, colours and patterns that are easy to mix and match with each other and the rest of the interior design. This is a well thought-out range that provides a harmonised and sustainable overall impression, and makes it possible to choose the right material and the right colour for the right place and activity.

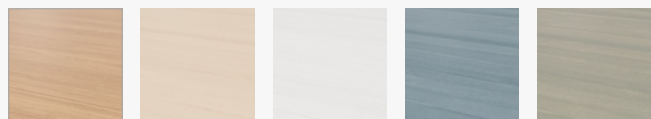

Top Available in laminate, veneer or solid wood.

Brackets Choose between different metal colours.
